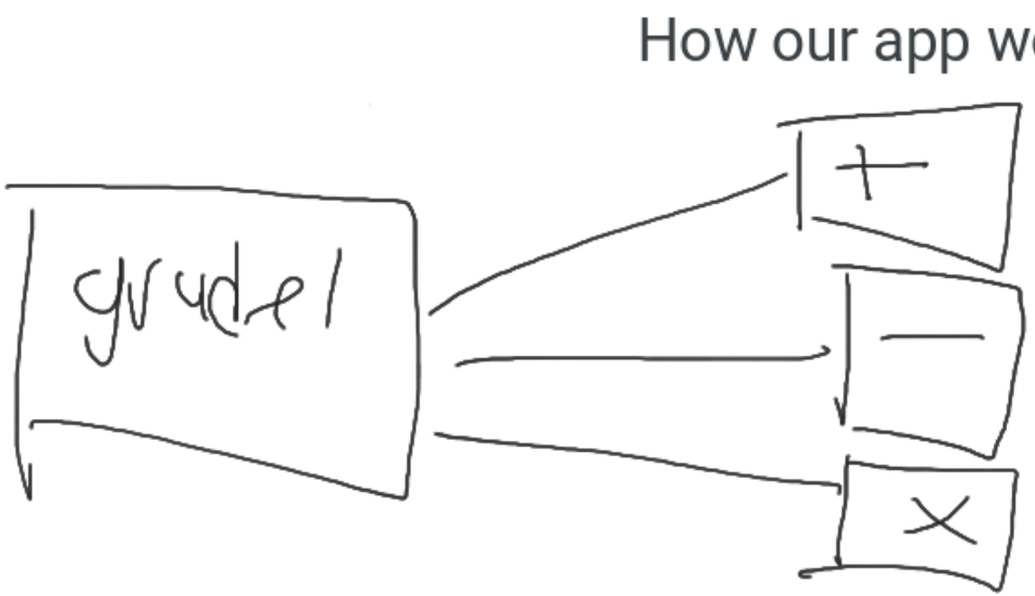
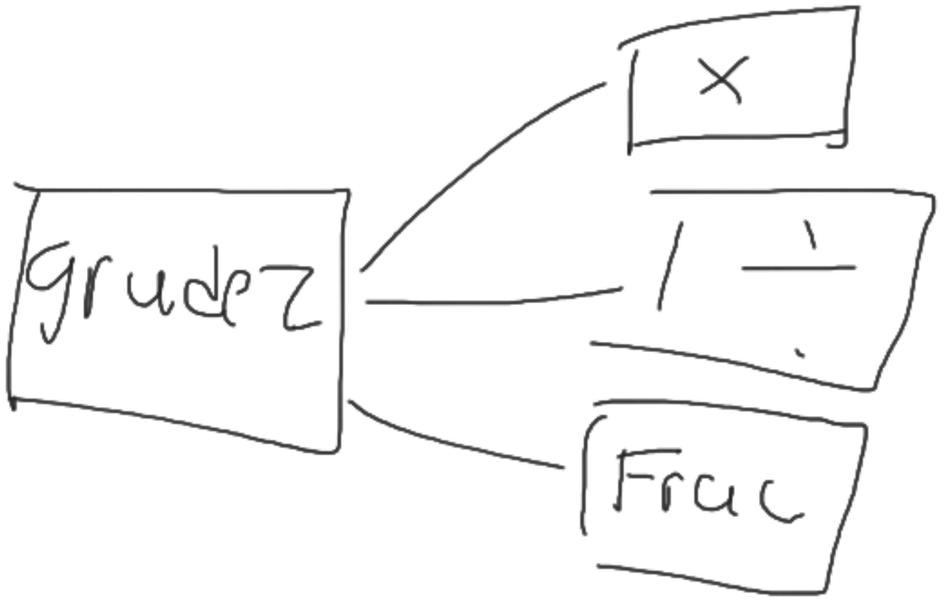
How our app works





Leagues (rank)

Lives (monetization) for later

Daily quests (Streaks)

Practice app

What makes us unique? + other features

Leaderboard → will refresh → Default weekly
→ student vs student
→ school vs school

automatically generate questions in a short-form content format

e.g. brainrot quizzes → Subway surfers / minecraft
→ ai-voice clone

Teacher can close

Question Video

1. Background video - asmr / gameplay
2. TTS voice of a popular person
3. Dopamine Boost - Super easy question e.g. calling the viewer an alpha Sigma for completing questions
4. No written answers

"Math vet"

Gain points every time you finish the video to answer the question right. Leaderboard is determined by points. points reset when teacher says
